

ANNOUNCEMENT:

Conversion of Passbook Savings Account/-i to Statement Savings Account/-i

26 March 2024

Dear Valued Customers,

In our ongoing efforts to streamline processes and embrace a more eco-friendly approach, effective 1st October 2024, all Passbook products will be converted to either Statement or eStatement, following the accountholder's current delivery method of Passbook Advise.

This conversion means that instead of receiving Passbook Advise, all passbook accountholders will receive a statement summarizing their account transactions for easier viewing.

For further information, please do not hesitate to [contact us](#).

Thank you.
