How to schedule Branch Appointment.

Jadual temu janji di cawangan RHB dengan mudah.

Skip the queue at branches to manage your financial needs.

Kurangkan masa menunggu di cawangan untuk urus keperluan kewangan anda.

The screenshot shows the RHB mobile app interface for scheduling an appointment. At the top, it says 'Let's make an appointment' and 'Fill in the details below to schedule one.' Below this, there are two main sections: 'Contact Details' and 'Appointment Details'. Under 'Contact Details', there are input fields for 'Full Name as per IC', 'Email', and 'Contact Number' (with an example 'e.g: 0123456789'). Under 'Appointment Details', there are dropdown menus for 'State' (with the text 'Select a state') and 'Branch'.

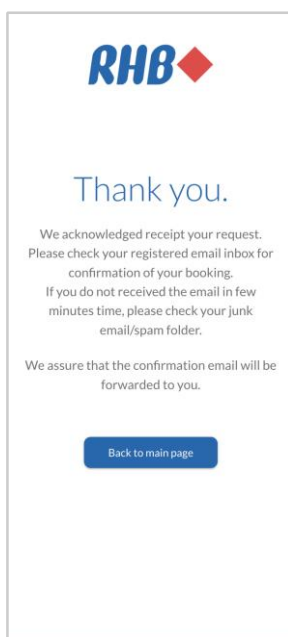

Step 3

Enter your contact details and appointment preferences. Tap 'Make Appointment' to confirm your appointment.

Langkah 3

Masukkan butiran yang diminta.

Tekan 'Make Appointment' untuk mengesahkan janji temu anda.

The screenshot shows the RHB mobile app interface after a successful appointment booking. It says 'Thank you.' followed by a message: 'We acknowledged receipt your request. Please check your registered email inbox for confirmation of your booking. If you do not received the email in few minutes time, please check your junk email/spam folder. We assure that the confirmation email will be forwarded to you.' At the bottom, there is a blue button labeled 'Back to main page'.

Step 4

Once done, you will receive a confirmation of your appointment sent to your registered email address.

Langkah 4

Setelah selesai, anda akan menerima pengesahan janji temu anda yang dihantar ke alamat emel yang berdaftar.
