

## FAMILY TAKAFUL PLAN

Takaful myLife Enriched

*Your life*  
matters the most.

A family takaful solution to  
prepare for unexpected life events

*This page intentionally left blank.*

Focus on living your life to the fullest while being covered for unexpected events.

Whether you are choosing a protection solution that is most comprehensive, suitable or value for money, it is essential to choose a solution that can keep your mind at ease during surprising times like critical illness, sudden death or total and permanent disability.

Introducing **Takaful *myLife* Enriched**, a packaged Takaful plan that allows you to tailor your protection needs according to your priority. You can choose your preferred additional benefits to accommodate your financial diversity because we know, your life matters the most.

# KEY BENEFITS

## Comprehensive

You deserve peace of mind. With that, we specially designed the Takaful *myLife* Enriched plan for you who wanted a **complete Takaful protection plan** against death, Total and Permanent Disability (TPD), critical illness (CI), medical bills and personal accidents with savings elements, all in one comprehensive plan.

## Customisable

You decide the best for yourself. You can attach up to **10 additional benefits** based on what you value the most, making the coverage plan unique, just like you. Furthermore, you can choose the Coverage Term Offered based on your age group.

## Legacy

You secure their future. Even when you are no longer around, you know that your loved ones can live their lives comfortably. With **Hibah Takaful**, your loved ones that you name as beneficiaries (under the conditional Hibah) will receive the death benefits without going through prolonged inheritance procedures like Fara'id Law or Distribution Act (for non-Muslims).

## Wealth Optimisation

You deserve more. Takaful *myLife* Enriched plan **comes with 5 investment-linked funds**. We allow you to decide the percentage allocation of funds based on your risk appetite. The returns of the investments will amplify the cash value that you can enjoy for your retirement, your child's education expenses or simply for your world exploration.

## Rewarding

You celebrate achievement. If you participate in Takaful *myLife* Enriched plan for your children, we will **reward them for their success in education** at SPM, STPM/STAM and A-Level. Let the rewards encourage your children to excel further.

## Shariah Compliant Solutions

You embrace spirituality. Takaful *myLife* Enriched is a plan that is able to meet your Shariah-compliant protection needs. It will allow you to achieve your financial goals through Shariah compliant investments.

# CUSTOMISE YOUR PROTECTION

Personalise your plan to meet your exact needs and budget with our extensive range of additional benefits. Our customisable options allow you to create a plan that is tailored specifically to you, ensuring you get the best value in this plan\*.

## Medical

Focus on your recovery and let us manage the medical cost like hospitalisation and surgery when you attach:

- myMedic
- myHospital Cash

## Critical Illness

Nowadays, CI is common. When you have been diagnosed with any one of 48 CI, we will pay the sum covered to you. So, save your money to pay for the treatments and procedures when you attach:

- myCritical Illness
- myMultipay Critical Illness

Please note that 48 CI includes Angioplasty and Other Invasive Treatments for Coronary Artery Disease, but this condition is not applicable for myMultiPay Critical Illness, myWaiver, and myPayor Plus.

## Personal Accident

If you are involved in an accident that causes disability or death, the agreed percentage of the sum covered will be paid to you or your beneficiary when you attach:

- myPA
- myIhram

## Savings

Boost your savings and investment when you attach [mySaver](#).

From as low as RM10/month, you can decide the allocation percentage for these existing Investment-Linked Funds:

- i. myBalanced Fund
- ii. myBlue Chips Fund
- iii. myDividend Fund
- iv. myEquity Index Fund
- v. myGrowth Fund

## Contribution Waiver

Your coverage will remain active until maturity and you do not have to pay for your contribution when you have been diagnosed with any one of the 47 CI (critical illnesses) or confirmed TPD (Total and Permanent Disability) when you attach:

- myWaiver
- myPayor
- myPayor Plus

If you participate in Takaful myLife Enriched for your spouse or children, you do not have to worry about their coverage if you attach the same additional benefits in the event of your death.

*\*Terms and conditions apply.*

# SEE HOW YOU CAN CUSTOMISE YOUR OWN PLAN

We understand that all of us have different protection needs. Hence, we prepared these 2 scenarios for you to understand better.

## 1. Khairul, 35 years old next birthday, is looking for a comprehensive protection plan with medical coverage

A loveable father & husband. He is working as a marketing manager, non-smoker, has a normal BMI and lives a healthy lifestyle. He is aware that life is full of uncertainties, so he participates in Takaful myLife Enriched plan for himself. When an unexpected event happens, he will have less to worry about because he has prepared the necessary. Here is his plan which he contributes RM420 per month until he is 70 years old.

### About myMedic

- Cashless medical coverage
- Claims of up to RM1 million per year with no lifetime limit
- Unlimited days for daily room and board
- No deductible payments
- Outpatient treatment for cancer and kidney dialysis at an as-charged rate

So, what does his plan **cover**?

#### **Death (for any reason)**

His family (beneficiaries) will receive;

- i. RM10,000 as Death Expense Benefit in advance to cover the funeral expenses, and
- ii. the sum covered balance of RM90,000 in lump sum as Hibah.

#### **Total and Permanent Disability**

He will receive RM100,000 as compensation which he can use to support his living expenses and pay for his treatment since he is no longer fit to work.

#### **Hospitalisation due to accident or illness**

His hospital bill will be paid up to RM700,000 a year. He is eligible to stay in a room for RM350/day. At the same time, he will receive a daily cash benefit of RM100/day according to the admission period.

#### **Diagnosis with any one of the 47 covered Critical Illnesses**

He will receive a lump sum of RM100,000 which he can use as;

- i. an income replacement since he has to quit his job, or
- ii. pay for the medical treatments and equipment

Either one, he can focus on his recovery. Furthermore, the future contribution will be waived and Khairul can still enjoy the remaining benefit until certificate maturity at the age of 70.

#### **If alive until maturity (70 years old)**

If he is healthy until the age of 70, he will receive 100% of his remaining account value, including the savings portion that he has contributed on a monthly basis upon the expiry of his certificate.

## 2. Ikhwan, 35 years old next birthday, is looking for a savings plan for his retirement

He aims to retire at the age of 60. He is currently working as the head of a department. He is a non-smoker, has a normal BMI, loves to travel, and most importantly, practices work-life balance. He wants by the time he retires, he will receive an amount to start a new chapter in his life. Thus, he participates in Takaful *myLife* Enriched. Here is his plan which he contributes RM662 per month until he is 60 years old:

### Takaful *myLife* Enriched Retirement Package

#### Basic Plan

Sum Covered RM350,000

#### *mySaver*

Contribution RM500/month

#### *myWaiver*

Waiver of contribution upon diagnosis of CI

#### *myPA*

Sum Covered RM350,000

So, what does his plan **cover**?

#### **Death (for any reason)**

His family (beneficiaries) will receive;

- i. RM10,000 as Death Expense Benefit in advance to cover the funeral expenses, and
- ii. the sum covered balance of RM340,000 in lump sum as Hibah.

ACCIDENT

#### **Death (due to an accidental event)**

His family will receive additional compensation of RM350,000. Thus, the total compensation that his family will receive is RM690,000 in one lump sum.

TRAVEL  
ACCIDENT

#### **Death (due to an accidental event while travelling as a passenger in a public conveyance)**

He will receive additional compensation of RM700,000. Thus, his family will receive a total of RM1,040,000 in one lump sum.

#### **Total and Permanent Disability**

He will receive RM350,000 as compensation which he can use to support his living expenses and pay for his treatment since he is no longer fit to work.

#### **Diagnosis with any one of the 47 covered Critical Illnesses**

Future contribution will be waived and savings will continue to grow up to maturity.

#### **If alive until maturity (60 years old)**

Upon maturity at the age of 60, he will receive 100% of his remaining account value. He can receive a lump sum of approximately RM263,750\* including the savings that he has contributed on a monthly basis upon the expiry of his certificate.

Ikhwan can use the money to enjoy his retirement.

\*The projected amount is based on 100% allocation to *myBalance* Fund with 5% investment profit per annum. Please note the actual return might differ based on actual performance of the fund.

**This plan offers flexibility, as demonstrated by the above examples. Remember, with Takaful myLife Enriched, you customise your Takaful plan based on your own needs and affordability!**

A: Yes, you may qualify for income tax relief under the family takaful (life) and education category. For the education category, you must attach *myPayor* or *myPayor Plus*. The tax relief is subject to the approval of the Inland Revenue Board. Kindly consult your tax representative before submitting your income tax return to the Inland Revenue Board.

# IMPORTANT NOTES

We suggest you read the Important Notes carefully.

1. You should satisfy yourself that this plan will best serve your needs and that the contribution payable under this plan is the amount that you can afford.
2. The principal amount placed under the Participant Account Fund (PAF) and the investment profit arising from the PA is not guaranteed and will be based on the actual fund performance.
3. The risk of investment is borne solely by you and the benefits may be less than your total contributions paid.
4. You are advised to make the contribution payment regularly to enjoy continuous coverage. Your certificate will lapse and no coverage will be provided when your balance in the PA is exhausted.
5. You may receive the balance in the PAF (if any) upon surrender or maturity, which may be less than the total amount of contribution that you have paid.
6. Any revision of the fees and charges or contribution will be made on the certificate anniversary, and we will notify you by giving you thirty (30) calendar days advance notice.
7. There are a free-look period of fifteen (15) calendar days from the delivery date of the e-Certificate for you to review and decide whether you want to continue with the plan. If you wish to discontinue, you may cancel the certificate within the free-look period and get a full refund of your contributions paid.
8. This brochure provides general information only. It is not a Takaful contract. You are advised to refer to the product disclosure sheet, marketing illustration and the certificate wording for detailed important features and benefits of the plan before you decide to participate in the plan.
