

IMPORTANT NOTICE:

Update your Browser to maintain a safe and secure Online Banking experience

Dear Valued Customers,

Effective 1 June 2026, RHB will no longer support access through outdated browsers as part of our commitment to keeping your online banking experience safe and secure.

To avoid service interruption, we recommend you to update your web browser to the versions below. If your browser is already updated to the latest version, no further action is needed.

Browser	Version
Google Chrome	v136* or higher <i>*We strongly encourage to update to version 138 or higher, or to the latest version of Google Chrome to ensure you receive the most recent security updates.</i>
Microsoft Edge	v140 or higher
Mozilla Firefox	v140 or higher
Opera	v124 or higher
Apple Safari	v17 or higher

FAQ

1. Why should I update my web browser?

Not updating your browser version may leave it at risk, as outdated browsers no longer receive any security updates from the respective web browser providers. You will no longer be able to use RHB Online Banking from an outdated browser.

2. How do I check or update my browser version?

To update your browser, open the 'Settings' or 'Help' menu, then select 'About Browser'. From there, you should see an option for you to update to the latest browser version.

Please refer to the respective web browser providers for more in-depth guide:

[Google Chrome](#) | [Microsoft Edge](#) | [Mozilla Firefox](#) | [Opera](#) | [Apple Safari](#)

3. I'm unable to update my web browser on my computer. What do I do?

You will not be able to use RHB Online Banking from the outdated browser. Alternatively, you may use the RHB Mobile Banking App. Download it from [Google Play Store](#) or [Apple App Store](#).
