No.	Commitment	Service Level
1.1	We will make insurance and takaful products easily accessible via various channels, physically and virtually, to obtain information, purchase or make enquiries	 To this end, the following are to be adopted:- Offer an active engagement model wherein a customer is aware of: Multi-channel options and accessibility for making purchases and enquiries. Where and how to provide feedback, suggestions and complaints. Reinforce that insurance / takaful is easily accessible via various channels, physically and virtually. Customers are kept informed on the physical and engagement channels available for them to purchase products or to make enquiries. Specifically, customers should have access to the following:

		 An insurance / takaful agent locator. List of customer engagement channels, i.e. corporate website, self-service customer web portal and call centre. Social media (if applicable) - provide links. Channel availability may vary from time to time, and customers will be informed accordingly.
1.2	We will actively seek feedback, suggestions or complaints on how insurers can serve customers better	1. Customers are provided with available channels to provide feedback and suggestions via: Corporate website (provide website address). Self-service customer web portal (provide website address). Call centre (provide hotlink number). Branch (provide link to list of locations). Email (provide email address). Fax (provide number). Letter (provide address). Social Media (if applicable). 2. The Insurer / takaful operator will conduct periodic customer satisfaction feedback/surveys to ensure that customers' needs are fulfilled.
