Announcement: **New Deposit & Investment Account Statement Format**

17 Aug 2023

Dear Valued Customers,

As part of our ongoing efforts to strengthen our customer data security, all savings, multi-currency, fixed deposit, RHB unit trust and retail bond account statements delivered via mail or email will be migrated into a new format, effective Aug 2023. This migration will include e-statements downloaded from RHB Online Banking. There will now be an enhanced encryption password format for account statements delivered via email. As we migrate to this new format, you may experience slight delay in receiving your August 2023 statement.
