## **RHB INTRODUCES NEW REFLEX MOBILE BANKING APPLICATION**

---

**Kuala Lumpur** – RHB Bank Berhad (“RHB”) introduces RHB REFLEX mobile banking application, an integrated internet banking platform offering business clients versatile cash flow management capabilities. The application offers 80,000 existing business clients greater accessibility to their financial resources.

RHB REFLEX mobile banking application’s unique features include enabling users to authorise all types of transactions via mobile including bulk payment, single payment, payroll management and bill payments, among others. Users can also view all accounts and transactions performed by their respective companies and subsidiaries.

“The new RHB REFLEX mobile application will allow our clients to access their account information anywhere, anytime. RHB has seen an increase of 25% year-on-year of new clients for our RHB REFLEX platform, with demand being high for us to deliver a secured and user-friendly cash management system,” said Jeffrey Ng Eow Oo, Head of Group Business & Transaction Banking, RHB Banking Group.

“In line with our digital transformation initiative, this new mobile application is another significant milestone for RHB in providing our customers with simple, fast and seamless experiences,” he added.

Clients with RHB Business Current Account and RHB REFLEX are now able to download the REFLEX mobile application on the Apple App Store and Google Play Store for free and without any new registration. This applies to the Malaysia and Singapore markets. For new customers, they are required to open a RHB Business Current Account along with RHB REFLEX via RHB’s corporate website at [www.rhbgroup.com](http://www.rhbgroup.com).
