

PRODUCT DISCLOSURE SHEET
RHB Treasure Supreme

This is an insurance product

Read this Product Disclosure Sheet before you decide to take up RHB Treasure Supreme. Be sure to also read the general terms and conditions.

1. What is this product about?

This is a limited 3 pay <Coverage term> years non-participating plan that provides annual Guaranteed Cash Payment (GCP) starting from the end of the 1st policy year until the policy maturity. Additional GCP Booster will also be payable at the end of every fifth policy year. This plan provides coverage on death or Total & Permanent Disability (TPD) and additional coverage upon accidental death or accidental TPD.

Regular Top-Up is available as an option for customers to invest into Investment-Linked Fund(s) for extra saving.

The fund value is not guaranteed and will depend on the price of the underlying units which in turns depends on the performance of your chosen investment-linked fund(s). There are 7 funds available for selection, each with different investment objectives and risk profiles:

- (i) **TokioMarine-Enterprise Fund**
To maximize returns over medium to long term by investing in quality shares listed on Bursa Malaysia and foreign stock exchanges.
- (ii) **TokioMarine-Bond Fund**
Aims to provide medium to long term accumulation of capital, by investing in quality fixed income securities.
- (iii) **TokioMarine-Dana Ikhtiar**
To provide a balanced mixed of income and potential for capital growth by investing in stocks listed on the Bursa Malaysia or on any other stock exchanges, unlisted stocks and Islamic debt securities and other non-interest bearing assets acceptable under principles of Shariah. However, the investment-linked policy itself is not a Shariah-compliant product.
- (iv) **TokioMarine-Managed Fund**
An actively managed fund that seeks to maximize returns over medium to long term. This is achieved by investing in shares and fixed income securities through TokioMarine-Enterprise Fund and TokioMarine-Bond Fund and in other Tokio Marine or third party funds that may become available in the future.
- (v) **TokioMarine-Orient Fund**
To achieve medium to long term capital appreciation by investing in securities of the Asian (non-Japanese) equity markets.
- (vi) **TokioMarine-Luxury Fund**
To invest in the Target Fund which derives long term capital appreciation by investing in equities and equity related securities issued by companies that provide goods & services in the leisure, lifestyle and luxury market, or in any other collective investment schemes which share similar investment objectives.
- (vii) **TokioMarine-Global Sustainable Fund**
Aims to promote environmental, social or sustainability characteristics by investing at least two-thirds of its assets in shares or equity-type instruments of leading companies in the world.

2. What are the covers / benefits provided?

This policy provides:

- (i) **Death / Total Permanent Disability (TPD) Benefit** - The death/TPD benefit as following less any GCP and GCP Booster declared up to date and indebtedness will be payable:
