DISCLAIMER:

A Product Highlights Sheet ("PHS") highlighting the key features and risks of the Fund is available and investors have the right to request for a PHS. Investors are advised to obtain, read and understand the PHS and the contents of the Information Memorandum dated 11 April 2018 and its supplementary(ies) (if any) ("the Information Memorandum") before investing. The Information Memorandum has been registered with the Securities Commission Malaysia who takes no responsibility for its contents. Amongst others, investors should consider the fees and charges involved. Investors should also note that the price of units and distributions payable, if any, may go down as well as up. Where a distribution is declared, investors are advised that following the issue of additional units/distribution, the NAV per unit will be reduced from cum-distribution NAV to ex-distribution NAV. Any issue of units to which the Information Memorandum relates will only be made on receipt of a form of application referred to in the Information Memorandum. The Fund are only offered to "sophisticated investors" as defined in the Information Memorandum. For more details, please call 1-800-88-3175 for a copy of the PHS and the Information Memorandum or collect one from any of our branches or authorised distributors.

The Manager wishes to highlight the specific risks of the Fund are management risk, secondary trading risk, country risk and currency risk and the specific risks of the Target Fund are investment risks, derivative risks, concentration risk, risks related to precious metals generally, shortage of physical metal, sales of gold by national and supranational organizations could adversely affect the value of the Target Fund units, crises may precipitate large-scale sell-offs of gold which could lead to a fall in the gold price and consequently decrease in the value of the Target Fund units and custody and insurance. These risks and other general risks are elaborated in the Information Memorandum.

This factsheet is prepared for information purposes only. It does not have regard to the specific investment objectives, financial situation and the particular needs of any specific person who may receive it. Past performance is not necessarily a guide to future performance. Returns may vary from year to year.
