MANAGER'S COMMENTS

MARKET REVIEW

FBM KLCI rallied for the second consecutive month gaining +4.7% MoM (April +4.21% MoM). The main highlight or stars of the market was certainly the gloves sector which saw share prices increased substantially with high trading volume as investors expect surged in earnings over the next few quarters. Meanwhile, oil prices continues to recover with more and more countries easing their lockdown measures (Malaysia included) and boosting fuel demand.

MARKET OUTLOOK AND STRATEGY

In the short term, we expect equity market to be volatile and range bound as the market is adjusting for the new norm in the economy. In terms of strategy, we will keep holding cash higher than normal market condition.

DISCLAIMER:

Based on the fund's portfolio returns as at 10 May 2020, the Volatility Factor (VF) for this fund is 11.9 and is classified as "Moderate". (source: Lipper) "Moderate" includes funds with VF that are above 8.9 but not more than 12.2 (source: Lipper). The VF means there is a possibility for the fund in generating an upside return or downside return around this VF. The Volatility Class (VC) is assigned by Lipper based on quintile ranks of VF for qualified funds. VF is subject to monthly revision and VC will be revised every six months. The fund's portfolio may have changed since this date and there is no guarantee that the fund will continue to have the same VF or VC in the future. Presently, only funds launched in the market for at least 36 months will display the VF and its VC. The VC referred to was dated 31 December 2019 which is calculated once every six months and is valid until its next calculation date, i.e. 30 June 2020.

A Product Highlights Sheet ("PHS") highlighting the key features and risks of the Fund is available and investors have the right to request for a PHS. Investors are advised to obtain, read and understand the PHS and the contents of the Master Prospectus dated 3 August 2017 and its supplementary(ies) (if any) ("the Master Prospectus") before investing. The Master Prospectus has been registered with the Securities Commission Malaysia who takes no responsibility for its contents. This update does not amount to indicate that the SC has recommended or endorsed the Fund. Amongst others, investors should consider the fees and charges involved. Investors should also note that the price of units and distributions payable, if any, may go down as well as up. Where a distribution is declared, investors are advised that following the issue of additional units/distribution, the NAV per unit will be reduced from cum-distribution NAV to ex-distribution NAV. Any issue of units to which the Master Prospectus relates will only be made on receipt of a form of application referred to in the Master Prospectus. For more details, please call 1-800-88-3175 for a copy of the PHS and the Master Prospectus or collect one from any of our branches or authorised distributors.
