ANNOUNCEMENT:

Review your fire insurance policy to ensure adequacy of sum insured

29 June 2022

Dear Valued Customer,

With rising inflation of consumer goods including building materials and reconstruction costs, we strongly encourage you to review your policy's insured value to ensure your property is not underinsured.

It's important that you don't underestimate the rebuild cost of your property. If you do, you'll be underinsured and run the risk of having the 'Average Clause' applied to any claim you make. When this clause is applied to a claim, you'll receive a much lower payout and have to bear a rateable proportion of the loss.

For more information, please meet with our authorized intermediaries, visit any of our RHB Insurance branches, call 1300 220 007 or WhatsApp us at [012-6031978](https://wa.me/60126031978).

Thank you.

Regards,
