RHB Investment Bank is No. 1 in Malaysian Ringgit Bonds League Tables

Kuala Lumpur, 23 September 2013 – RHB Investment Bank Berhad (RHBIB) has emerged No. 1 in terms of highest market share in the Malaysian Ringgit Bonds league tables by Bloomberg, Thomson Reuters, Dealogic and Mergermarket for the first eight months of 2013. RHBIB's capabilities and expertise are evidenced once again by this noteworthy achievement.

"We are very pleased with our achievement as it underlines our strength and capacity to continuously support both our local and regional clients to accomplish their funding needs. We believe that the merger of RHBIB with OSK Investment Bank Berhad (OSKIB) has further strengthened our position as an investment bank with a regional platform that will enable us to better serve our clients across the ASEAN region," said Mike Chan, Managing Director and CEO of RHBIB.

"This year, we launched about seven debt programmes and continued to help our clients raise funds from the debt market, given ample liquidity and suitable market conditions. We are committed in supporting the debt and Islamic capital markets and we aim to be a one-stop financial services provider for local and international issuers to participate in the Malaysian debt and Sukuk markets," he added.

RHBIB's achievement is also a reflection of its experience and strength in various industries including infrastructure, power, plantation, property development, construction and Government-linked companies.
